This service is designed to assist you as the entity owner with the additional resources commonly associated with entity formation. This includes items such as the articles; by-laws or operating agreement templates as appropriate, initial meeting minutes, waivers of notice and resolutions; corporate seal and shares or certificates as appropriate; share / certificate register and miscellaneous documentation as required by the Secretary of State. You will be invited to attend our complementary educational tele-seminars and specialist conference calls as part of our service to you.

**Please include with your FAXed order a copy of the Internal Revenue Service's SS-4 acceptance of your entity's Employer Identification Number (EIN) and a copy of the Secretary of State's accepted Articles.**

Please indicate the current tax treatment

If Chapter C, please indicate the fiscal year ending (month)

We will contact you when further information is required.

The fee for this service is \$1,895.00, and is subject to change without notice. **Please be aware that if the State has unusual requirements (e.g. publication fees, penalty charges, member fees, etc.) that we will require your approval to increase the amount we will charge you to recover our increased costs before we can continue.**
